To support parents/carers with childcare costs for children of all ages the Government is introducing a new Tax-Free Childcare scheme which will be available to around 2 million households. You'll be able to open an online account which you can pay into to cover your cost of childcare, for every 80p you pay in the government will top up your account with an extra 20p.

30 hours childcare

For those parents/carers with children aged 3 & 4 years the new 30 hours childcare scheme is being introduced from September 2017. HMRC are currently in the process of issuing eligibility codes to parents/carers whose children will be eligible for 30 hours childcare from September 2017.

At this point we as Providers cannot check eligibility for you; to find out more about whether you may be eligible and how to apply please go to:

If you need help with any information on support with your childcare fees or applications please ask at the main reception.
