Appendix A

The position you have applied for is exempt from the Rehabilitation of Offenders Act 1974, therefore North Halifax Partnership Ltd will undertake to use the Disclosure and Barring Service (DBS). For some posts the information required, will include details of cautions, reprimands, or final warnings as well as convictions.

Whereby a Disclosure is to form part of the recruitment process applicants are encouraged to provide details of their criminal record at any part of the process. All information will be kept confidential and only disclosed to those parties relevant to the recruitment process.

The disclosure of a criminal record will not necessarily prevent your employment with us; in making a decision, the council will consider many factors relevant to the appointment. This means that you must provide information about all previous convictions, cautions, reprimands and final warnings including those, which, in other circumstances, would be thought of as spent. Failure to disclose relevant information could lead to North Halifax Partnership Ltd withdrawing the offer of employment.
