

# First time mum?

Had your baby in the last six months? We'd love your help with our online survey about your experience with feeding...

Take part and help us to understand more about infant feeding

If you live in Kirklees, Wakefield or Calderdale, please take a few minutes to complete our survey to help us understand infant feeding from your perspective.

Sharing your views and experiences will help to shape our services to support other new mums.

Please use the survey to tell us about the information, support and services you found useful, along with the things you feel that were missing.

To find out more and take the survey please scan the QR code or visit [www.kirklees.gov.uk/infantfeeding](http://www.kirklees.gov.uk/infantfeeding)
