

Ofsted

Ash Green Nursery had an Ofsted inspection in January and we were delighted to be awarded an outcome of '**outstanding**' in all areas.

We are very pleased with the outcome of the report and the very many positive relationships it celebrates between the wider community, professionals and parents.

Key findings that the Ofsted inspector documented are:-

- 'Leaders are highly driven to provide the very best start for children'
- 'Swift and sharply focused interventions make an impressive difference to children's learning and development in a short space of time'
- 'Staff have a deep understanding of how children learn'
- 'The outcomes for children are remarkable'
- 'Partnerships with other agencies, professionals and schools are exceptional'
- 'Children's emotional well-being is highly promoted'
