

**Early Education Funding (EEF) for 2, 3 & 4 Year Olds
and
30 Hours Early Years Extended Entitlement
Policy for 3 & 4 Year Olds**

Early Education Funding (EEF) and 30 Hours Early Years Extended Entitlement is administered by the Early Years and Childcare Sufficiency Team on behalf of Calderdale MBC. As an Early Education Provider we are required to follow the guidelines set out in the Provider Agreement procedures and the Statutory Framework for the Early Years Foundation Stage (2021). We are required to ensure that children for whom we receive any Early Education Funding attend regularly and have an obligation to inform the Early Years and Childcare Sufficiency Team if children do not attend.

To comply with these requirements the nursery will:

- Require you to complete an Early Education Funding for 2-, 3- & 4-year-olds Parental/carer agreement or 30 Hours Early Years Extended Entitlement Parental/carer Agreement prior to your child starting an EEF funded place.
- Need to receive a copy of the 2-year-old offer funding confirmation letter including voucher slip (for 2-year-olds) or complete an eligibility check on the Calderdale MBC Portal
- Require a valid 30 hours eligibility code to enable the LA to confirm eligibility prior to offering a 30 hours Early Years Extended Entitlement place for eligible 3 & 4 year olds
- Require evidence of disability living allowance or proof of an adoption order, special guardianship and residence order (if applicable).
- Need to be made aware if your child is claiming Early Education Funding at more than one setting.

Monitoring attendance of children in receipt of 15 Hours Early Education Funding for 2-, 3- & 4-year-olds

The nursery will require a minimum target attendance of a satisfactory level per term. This will be discussed with you when you register.

We will monitor children's attendance in the following ways:

- We will ask parents/carers to contact the nursery to inform us if your child is going to be absent or late and the reasons for this.

- We will make every attempt to contact parents/carers if the reason for the absence is unknown by telephone, if not a first day calling visit will be carried out.
- We will record reasons given for the absence, late arrival or early departure on the daily register and on EEF monitoring system.
- We will monitor reduced attendance and no later than two weeks after a period of reduced attendance discuss with parents/carers the reasons for reduced attendance.
- We will inform parents/carers that if attendance patterns are not improved their child's funded hours may be reduced or withdrawn.
- We will write to the parent/carer and give a notice period of 2 weeks for the funded nursery place if the attendance does not improve.
- We expect that you inform the setting if your child is going on holiday and will not be attending.
- We are able to continue to receive funding for a child who goes on holiday for a period of up to 4 weeks in one term if we are notified of this in advance.

Late Drop Offs and Early Pick Ups

Where a parent/carer consistently drops a child off late or collects a child early from their funded early education session we will try to establish the reason for this. It may be that we are able to offer a more suitable session time to avoid this happening. If not, we may have to reduce the number of hours for which your child receives funding. Where necessary we will contact Calderdale MBC to take advice.

Please be aware Early Education Funding may be withdrawn where children's attendance including late drop off and early collection does not meet the required level

Monitoring of 30 Hours Early Years Extended Entitlement for 3 & 4 Year Olds

When completing the 30 hours Extended Entitlement parental/carer agreement it will be detailed exactly which hours of attendance make up the Universal (15-hour EEF) element and which hours of attendance make up the Extended Entitlement. Children's attendance for the 15-hour Universal (15 hours EEF) element will be monitored as set out above.

It is required that children claiming the Extended Entitlement attend for at least a portion of those agreed hours therefore this will be reviewed on a regular basis.
